

To: Residents of Fontmell and Bridle Close

Copied to: Councillors Mills, Curthoys,
McKeown and Gaygusuz

Dear All,

This week's update:

Reinstatement of Utilities

Ringway are making good progress on the reinstatement of the road and are still working towards a deadline of the end of November.

Harcross have been on site this week to secure the houses with Heras fencing, now that the hoarding has been removed.

Reopening of the Road and Use of the Temporary Road

Once the road is complete, the temporary road will be closed off and will no longer be available for use. We will be removing the temporary road in the spring time to ensure the least disruption to the overall surface of the grassed area.

Yours Sincerely

Helen Wright and Angela Bucksey

Helen Wright (Policy, Partnerships & Economic Development Manager, St Albans City & District Council)

Angela Bucksey (Assistant Director - Property, Resources & Performance, Hertfordshire County Council)
